Ambition

To use all of my skills and experience in a media production studio, whether film or print.

Skills

- Specialize in digital imaging, television motion graphics and interactive screen design. (After Effects)
- Working ability of most video editing suites (Final Cut, Premiere, Avid).
- Ability to create original artwork using Adobe Photoshop and Illustrator.
- Producing on-screen animated graphics for TV broadcast using Chryon systems.
- Design and layout experience for print publication and website design. (Indesign, Quark)
- Working knowledge of 3D modeling and animation programs. (3D Studio Max)
- Research and development of the production of animation. (Hand-drawn, Flash)
- Ability to setup and work with audio/video equipment (Recorders, Cameras, Monitors).
